State of Montana
Office of The Governor
Helena 59601

Greetings:

Engraved upon the face of our State Capitol are two dates of significant importance to Montanans. The year 1889 marked the statehood of Montana, and 1899 witnessed the cornerstone laying ceremony for one of Montana's finest buildings, our State Capitol.

This year we are observing the 75th anniversary of our Capitol. The home of Treasure State government is rich in a heritage of the people who have served Montana's past, and those who will serve Montana's future. Within the native limestone and granite walls, the growth of our great State and the strength of her people are depicted in the paintings and sculptures of Montana artists.

I invite you to visit our State Capitol often this year and walk through a living history of Montana.

Sincerely,

Thomas L. Judge
Governor
